

Product Change Notification

PCN Publish Date: 12/08/2005

PCN#: 237

Change Title: Product Process Change

Products Affected: F5L-F, F5L-4F
14 PIN DIP ECL Oscillator with pin 14 = case GND and pin 7 = -5.2V.

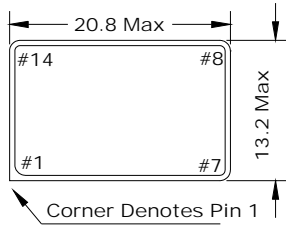

Description of Change to the Customer: Due to an industry wide, sudden unavailability of 14 PIN DIP bases with pin 1 corner designation and pin 14 case GND, we are changing to a package with pin 8 corner designation and pin 14 case GND. Pin numbers and functionality are unchanged. See the attached outline drawing showing the difference from old package to new.

Schedule of Change: Change is effective as of 12/08/2005. All product with date code of "0549" or later will reflect this change.

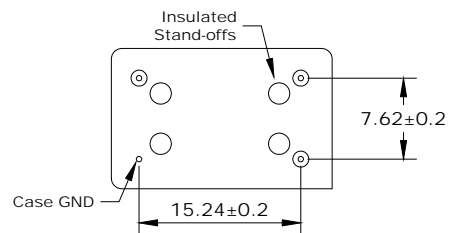

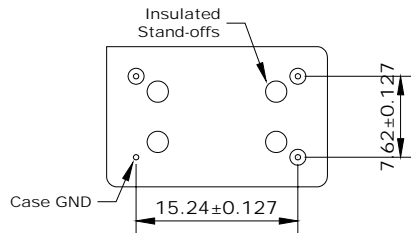

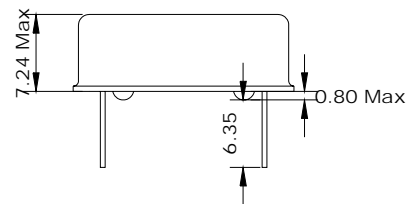

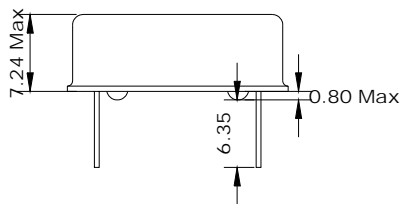

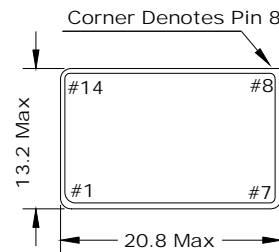

Customer Impact and Response: We sincerely hope this change will have minimal impact on our customers. If you have any questions, please contact Fox Technical Support at www.foxonline.com/email.htm or call 239-693-0099.
